Ibasen

Edo-style fan

Retail Price Range: from 2,000(JPY) to about 40,000(JPY)

Place of Production: JAPAN

As the name suggests, Edo-style fans are folding fans that were sold in the Edo period (old Tokyo). Edo-style fans primarily feature "chic" and bold patterns, such as komon patterns, stripes, animals, and characters. To complement these bold designs, folding fans have fewer ribs, and the end ribs are made thicker. And these are crafted by a single artisan.

Takumi Ankodo

NURUANKO
Retail Price Range: JPY770~
Place of Production: JAPAN
This premium red bean paste is made with whole red beans from Hokkaido. It is carefully blended to preserve the texture of each individual bean. The consistency has been adjusted to make it easy to spread on bread and other foods. It comes in a transparent tube that allows you to see the contents, making it easy to dispense.

Genki Co., Ltd.

Japanese-Style Resin Table by Carpenter

Retail Price Range: JPY98,000 (excluding tax)

Place of Production: JAPAN

This one-of-a-kind resin table is handcrafted by a Japanese carpenter using selected thinned timber. Featuring Ukiyo-e inspired by Hokusai, Kabuki artwork, and Mount Fuji landscapes embedded in crystal-clear resin, it blends traditional Japanese culture with contemporary design. A functional table and distinctive art piece, each creation is truly unique.

SHIINA KIRIKO

EDOKIRIKO Japanese traditional cut glass

Retail Price Range: JPY23,000-75,000

Place of Production: JAPAN

An Edo Kiriko brand where patterns spread and reflect when liquid is poured. The brand's signature reflection is created through the flat polishing techniques of flat-cut Kiriko artisans—of whom there are fewer than 10 in Japan—while sandblasting, which enables polishing to a precision of 0.09 mm, brings modern patterns to life.
